TEAS Wholesale Nursery

CONROE, TEXAS

Ornamental Trees, Shrubbery and
Herbaceous Plants

LINING-OUT STOCK

Fall 1929 - Spring 1930

TERMS AND CONDITIONS OF SALE

TERMS: Cash or satisfactory reference before shipping from those who have not established satisfactory credit relations with us.

C. O. D. orders should be accompanied by not less than one-fourth of the amount of order.

SHIPPING: The Missouri Pacific and Santa Fe Railroads and the Railway Express afford excellent shipping facilities.

TRANSPORTATION CHARGES are to be paid by the purchaser. Small items may be sent Parcel Post, with postage added to the invoice price. When no shipping instructions are given we will use our best judgment in forwarding orders. Texas shipments travel at special low or second class rates by express.

SAMPLES of small transplanting stock will be sent on request. Our stock is grown in the open field in beds and nursery rows—on new land and is strong, well established and well rooted.

PACKING carefully done. All small stock will be carefully dug and roots puddled and well packed as light as practicable.

All orders accepted subject to stock being unsold on receipt of order. Claims for any cause should be made immediately on receipt of stock and will receive our careful attention.

SHIPPING SEASON: In our mild climate most stock may be safely shipped from October till May, but deciduous stock is more safely handled during the period of dormancy.
